

Toimata Foundation Structure

Over 10,000 actions and outcomes

Social

Cultural

Economic

Environmental

Educational

Over 1000 local participants

Local participants are schools, kura, kōhanga, ECE centres and communities that engage with Enviroschools and Te Aho Tū Roa and undertake a range of actions and projects.

90+ regional partner organisations

Enviroschools regional networks deliver the programme to schools and ECE centres, providing Regional Coordination, facilitation, events and professional development.

Te Aho Tū Roa Poutautoko (community support people) work in different ways with their local kura and communities.

2 programmes

10+ national partner organisations

In partnership with Te Mauri Tau develops and delivers Te Aho Tū Roa and Enviroschools. Services include training, resource production, mentoring and events.
